Mexico

Mexico is situated in the northern hemisphere of the American Continent. It borders the United States of America to the north, Guatemala and Belize to the south, the Gulf of Mexico to the east, and the Pacific Ocean to the west. Its territory has a total area of 1,964,375 km². The country is divided into 31 states and 1 Federal District.

Mexico offers a great variety of attractions including a heritage of Pre-Columbian civilizations, great archeological sites that shape the national identity and breathtakingly beautiful beaches. The country brings together the historical remains of cultures dating back thousands of years blended with the excitement of large cities. Mexico is unique thanks to its natural wealth combined with its remarkable historic elements and its internationally renowned infrastructure.

Mexico's diversity can be experienced throughout its 32 states, all of which offer an endless number of destinations where all sorts of leisure activities are there to be enjoyed.

As the birthplace of great painters like Diego Rivera and Frida Kahlo as well as acclaimed writers like Agustin Yañez, Juan Jose Arreola, Octavio Paz and Carlos Fuentes, Mexico was also home to impressive muralists like Jose Clemente Orozco and David Alfaro Siqueiros, all of whom are part of a rich culture characterized by the expressions of all Mexicans.

Guadalajara, host city of the upcoming Pan American Games is located in the State of Jalisco, known internationally by its Mexican identity icons like "charrería", "mariachi" music and Tequila.

Jalisco offers endless possibilities: Cultural, natural, touristic and gastronomic; all of which will give the America's Fiesta a color that is distinctly Mexican.

The City of Guadalajara

Guadalajara is the capital of the State of Jalisco. The city is located in the central region of the state and has a population of 1,600,940 people, making it the second largest city in Mexico.

The Guadalajara Metropolitan area also includes the municipalities of Zapopan, Tlaquepaque, Tonalá, Tlajomulco de Zúñiga and El Salto. Added together, the population for the metropolitan area totals 3,967,252 inhabitants according to the 2005 census.

Guadalajara is at an altitude of 1,567 meters above sea level and is one of the main cultural, economic, historic, industrial and religious centers in Mexico. All of this gives the city significant influence over the rest of the country.

“Tapatío” is the Spanish word used to refer to Guadalajara’s natives. The city is named in honor of the Spanish city of Guadalajara and the word may mean “rocky river”, “rocky valley” or “fort valley.”

Host of major events

The city was a subsite for the Mexico 1968 Olympic Games and the 1970 and 1986 football World Cups. It has also hosted several international events such as the first Ibero-American Summit in 1991 as well as the Latin American and the Caribbean-European Union Summits in 2004. In 2005, the city was named Cultural Capital of the Americas.

In 1987, the Guadalajara “Expo” Convention Center opened its doors and for the upcoming Pan American Games, the center will act as the International Broadcast Center, Technology Operations Center, Main Operations Center and the Main Press Center.

There are more than 25,000 hotel rooms in the City and the metropolitan area is a national leader in the investment and development of commercial centers.

Official currency

The peso is Mexico’s official currency and is represented by the symbol \$. The bills that are currently in circulation have a denomination of 20, 50, 100,

500 and 1,000 pesos. The coins in circulation are 10, 20 and 50 cents as well as 1, 5, 10 and 20 pesos.

Exchange rates vary on a daily basis so, previously consulting rates with specialized foreign exchange providers is highly recommended in order to find out about the latest exchange rate.

In Guadalajara, currency and traveler's cheques may be exchanged directly at currency exchange businesses, at some banks or at any airport. The most common currency exchange is between the US dollar and the Mexican peso, or between the Euro and the Mexican peso. Exchanging from dollar to peso is the most recommended transaction.

The official banking partner for the XVI Pan American Games Guadalajara 2011 is **Scotiabank**.

Credit and debit cards

Credit cards are widely used in Guadalajara as they are accepted in almost all business establishments, hotels, restaurants and travel agencies; however, it's a good idea to carry some domestic currency for incidental expenses. The most accepted cards include Visa, Master Card, Diner's Club and American Express.

Voltage

Electric current is at 110 volts at 60 MHz. It's the same voltage that is used in the United States and Canada. If your electronic devices run on 220 volts, you will need an adapter. Please note that the standard plugs are flat-pronged.

Business hours

Like most Mexican cities, office hours usually run from 9AM to 5PM. As for shopping centers, hours of operation run from 9AM to 8PM and while most open on Sundays, it's best to check before going.

Tipping

Tipping is not compulsory; however, at bars, restaurants, discotheques and night clubs, it is customary to leave a tip between 10 and 15 percent, not counting the value added tax (IVA) included in the bill.

For bellboys and valet parking attendants, a \$1 to \$2 US dollar tip for their service is customary in Guadalajara.

System of measurement

The system of measures used in Mexico is the Metric-Decimal system. Temperature is expressed in degrees Celsius and volume is expressed in liters.

Hospitality

“Tapatíos” are widely recognized for their warmth and hospitality. You are like to feel at home in Guadalajara.

If you need tourism assistance in Guadalajara, you should be able to go to one of the Board of Tourism information booths that will be located throughout the State of Jalisco during the Pan American Games. These kiosks will be strategically placed in or around the Pan American venues.
